

The realization of society formation in the Civil Engineering Department was initiated by the then Head of the dept. Prof. Zaheer Khan and Civil Engineering Society was established in the year 2000 then named as Construction Engineering Society since it was formed by students of the Construction Engineering branch.

The objective of this society is to impart technical knowledge among the Civil Engineering Students and empower civil engineers to lead in innovation and sustainability, forging a future where infrastructure serves communities.

Previously the society comprised of only three heads namely Seminar Webinar and lecture committee, Industrial and Site visit committee and Editorial Board.

A Unanimous decision was made in 2024 by the department that the society to achieve its aim needs to be branched under six major committees as stated below.

- a) **Management Committee:** Members are nominated students of B.E and T.E civil engineering department.
- b) **Administrative department:** The appointed seven members of the Committee will be responsible for maintaining accurate records of society activities, meetings, and financial transactions, while also overseeing administrative tasks, coordinating meetings, and ensuring compliance with legal requirements.
- c) **Event Management Committee:** The Event Management Committee is responsible for planning, organizing, and executing various events and activities that align with the society's goals and objectives, ensuring to run it smoothly and efficiently.
- d) **Social Media Committee:** The Social Media Committee is responsible for promoting society events and initiatives through various online platforms, engaging the community, and creating a positive online presence.
- e) **Creative Department:** The Creative Committee is responsible for infusing creativity into all society initiatives. This includes visual design, artistic concepts, and the creation of compelling content to engage the community effectively.
- f) **Public Relation Department:** The Public Relations Committee is responsible for enhancing the society's reputation and visibility through effective PR strategies, media communication, and stakeholder engagement.
- g) **Photography:** The Photography Committee is responsible for capturing and documenting visual content for society events and promotions. This includes photography and multimedia content creation.

All the members for the management committee are nominated from the students of B.E and T.E. The President for 2024-25 of the society is Mr. Shaikh Mohammed Adil and Chairman is Mr. Mohammed Rayyan Khokar. Mr. Vinay Anil Bhangre is nominated as General Secretary and Mr. Yasir Jabbar Mujawar as Treasurer. Applications are invited for the post of Heads from students of final year and third year. The other representatives of students for various committees are nominated as volunteers as per their interest in the objective of the said committee.

CES organized a clean-up drive on September 18th, 2024, with the goal of making our community a better place. Volunteers worked tirelessly to collect litter and debris from Girgaon Chowpatty. The dedication of everyone involved truly showcased the importance of environmental responsibility. It was a great success, resulting in a cleaner and more beautiful space for everyone to enjoy.

CES Committee of Saboo Siddik College of Engineering organized a guest lecture on the topic Memory Boosting on 30th September 2024 in the college seminar hall. The session was delivered by esteemed speakers Mr. Yogesh Naik and Mr. Kalyan Mujmule, who shared valuable techniques and insights to enhance memory and cognitive performance. The event was well-received by students and faculty alike.

A seminar on Health and Fitness was conducted on 3rd February 2025 at Saboo Siddik College of Engineering by CES. The session was led by Er. Iqbal Sayyed, a renowned bodybuilder and fitness trainer, popularly known in the bodybuilding industry as the 'Humble Beast'. Er. Iqbal Sayyed is also a proud alumnus of the college, and he shared his journey, expertise, and practical fitness tips with the students, inspiring them to lead healthier lifestyles.
